Secretariat members recently voted on an appropriate Biblical vision for Cursillo in Southern Queensland and agreed that this is the verse.

John 15:16. You did not choose me but I chose you, and appointed you that you would go and bear fruit, and that your fruit would remain, so that whatever you ask of the Father in My name He may give to you.

HOW CAN YOU HELP?

Some parishes are fundraising to financially assist their candidates. Cakes, cookies, jams and pickles abound. What a great concept —well done everyone!

If you have served on Secretariat, Servant Community or on team, you will know about manuals. You will also be delighted to know that John Corcut, past Secretariat and Servant Community Leader from Warwick parish has been busily reviewing, updating and creating new manuals using feedback and incorporating current practices. We are grateful to John for his professional work. There will be 14 manuals when complete.

EXCITING NEWS! You will be pleased to hear that a group of very talented musicians, led by Leigh Leighton is reviewing the Green Cursillo Song Book. Careful consideration will be made regarding how best to 'publish' and / or distribute the updated Cursillo Song Book.

Resources Coordinator needed. Cursillo has a fabulous resources trailer that holds all of the 3 Day Weekend and music resources. We are in need of someone to take charge of the trailer plus resources. The Resources Coordinator cares for, maintains and co-ordinates music resources and other equipment—including the trailer. The coordinator needs to work closely with the Cursillo weekend Lay Director and be available to deliver resources to the Cursillo weekend venue, also the Back Table Training day and perhaps a team training day if requested by the Lay Director. A covered carport or garage is essential. Please contact Marg Carr if you are keen. 0408780587
