Listening to God

Here, right where we are, I invite you to take the time to find yourself. Holy Week with its contrasting acts of loving sacrifice, fear-based betrayals, and intense emotion - is in sight. The powerful journey through the Great Three Days reminds us again that we can find hope, joy, goodness and freedom as we realise that we are made in the image of God, endowed with creativity and challenged to see ourselves as made for God.

This year, why not say a resounding YES to God's invitation to accept the unconditional and unmerited love with which God gazes at you – think of it as the gaze of lovers wrapped in a tender embrace, or the gaze on a mother's face as she looks lovingly at her newborn baby.

The life experiences of some of us might have made us wonder if we have any worth – if God would want us – but believe me, there's never been a moment when God hasn't loved you – remember *God chose us in Christ before the foundations of the world.* Ephesians 1:4

Are you struggling to believe me – take a moment, tune into stillness, read these words aloud and listen to God speak to you with the voice of the heart.

Listen to God Speaking with the Voice of the Heart

My child, I made you for myself.

I made you like myself.

I delight in you.

My heart aches with pity when you smother joy under the onslaught of busyness.

Then there is barely a minute

To pause and listen for me.

You run everywhere looking for life,

Searching for the life of life.

All the while I am here.

I am as close as a prayer.

I am breathing in your breath.

I made you for myself,

I wanted you.

I made you like myself,

I made you good and I made you free.

Listen! For I have carved in you the heart to hear.

I paint the pattern of joy in your heart and leave it there for you to find.

Listen and know I am near.

I am as close as a prayer.

I am breathing in your breath.

With each breath you choose, my child, for you are free.

Will you breathe with me the breath of life?

Will you claim the joy I have prepared for you?

Will you seek me out and find me here?

Will you whisper the prayer?

Will you breathe in my breath?

From *Made For Goodness*, Desmond Tutu and his daughter Mpho Tutu, the authors write: (2010 Ch 1., p. 22)

Revel in being the subject of God's loving gaze, accept your own goodness and beauty and as you accept your own beauty, see how the goodness and beauty of others shines in the darkness.

Why is Cursillo So Special?

Cursillo is held in high esteem by so many, why is this so?

Some say it was the 3-Day Weekend itself, others say the Fourth Day activities like Ultreyas, Pilgrimages and Grouping. Others have Cursillo as a defining moment in their Spiritual Journey, or something else altogether.

Would you share your thoughts with me on what Cursillo means to you?

Your comments will give us a greater understanding of where to focus our efforts.

One or two paragraphs in an email to Webmaster@Cursillo-Brisbane.com would be great.

If you want your comments to be private, just sign your email anonymous.

2022 sees Cursillo in our Diocese reach 37 years with 182 x 3-Day Weekends.

As your Diocesan Lay Director, (DLD), there is a feeling of great responsibility to pass the baton to the next DLD with Cursillo in "Good Shape".

My view of "Good Shape" is growth of Cursillo through more Candidates.

In the last 2 years, we have focused on turning more Candidates into Cursillistas.

Those Cursillistas lead to more 3-Day Weekend Team Members.

Team Members gain experience and move to Secretariat and Servant Community.

Secretariat, our decision-making body, comes from Teams and Servant Community.

Candidates are the lifeblood for a future healthy Cursillo Movement.

Since the start, past successive Secretariats have maintained the "Authentic Cursillo".

(Strict adherence to the Guidelines set down by the Cursillo founders).

1985 saw enthusiastic Cursillistas emerge from their own 3-Day Weekends.

In 2021, M80 & W80 saw their Cursillistas do the same.

There is no need to change a winning formula.

We do need to adapt Cursillo to fit modern ways. In this edition, there is an article on how to increase our Candidate numbers. Please read the article, I would value your input (alangray48@icloud.com) on how this idea may work for your Parish.

Finally

My 3-year term in the role as Diocesan Lay Director will conclude this year in November. I will leave comments on what an honour it has been till then. However, the reason I mention it at all, is Secretariat has chosen my replacement.

There is pride in announcing **Margaret Carr** from Waterloo Bay as your 2023 Diocesan Lay Director Elect. Margaret will do a wonderful job leading us all in growing Cursillo.

Many Blessings

Alan

~ A Message from The Editor ~

Welcome to this Lent-Easter edition of On Wings Like Eagles. The photo on the front cover was taken at Saint Francis College on the evening of the final meeting for Servant Community last year. Rev. Marilyn led us in a meditation and placed a light under the sculpture. I found this experience very moving and strongly felt the presence of the Holy Spirit. This magnificent sculpture was created by Edwin Guth possibly in the 1960's and is titled 'Christus Rex' (Christ the King). Ponder on it during this season of Lent.

Archdeacon Valerie's article **Listening to God** on page 3 includes these words; "Revel in being the subject of God's loving gaze, accept your own goodness and beauty and as you accept your own beauty, see how the goodness and beauty of others shines in the darkness." Wow! This brings back that memory; "I love the face of Christ I see in you.", with the additional power of seeing God's presence in oneself.

Who will be the next DLD? Alan tells us on page 4! He also asks the question of why Cursillo is so special to us individually, encourages the reading of the article on Operation Parish Candidate (pages 6 and 7) and then calls us to action.

We are pilgrims on a journey (page 8)! Join the 2022 Pilgrimage to Gympie, Bundaberg, Gayndah, and Maryborough. Why have a pilgrimage? Connect with the goal of a life fully given to the love of God and humankind on page 9.

Servant Community welcomes Leanne and Trevor. Read about the extensive work being done by DSC on page 9. After many false starts, The Follow Up Day once again did not happen due to the predicted extreme weather. Stay tuned for the 'new' format!! The Cursillo Method is explained on page 11 and on page 12, Zoom Group Reunions are still on the agenda.

Sharyn is encouraging people to consider taking on the role of Parish Contact if your parish does not have one. This is a vital position with Operation Parish Candidate! Thank you to Leigh Leighton for taking on the position of Music Copyright Coordinator. This is answered prayer. Please pray the Prayer Points on page 13. A Secretary for Secretariat is desperately needed.

Get all the Upcoming Event information from Kay in her Post Cursillo Report on page 14. So many great events are happening. For contributions and donations, all the detailed information from treasurer, Ann Martin-Victor is included on page 15.

Thank you to the many people who continue to send articles. Please continue to send them! Original articles, prayers, poems, photos are needed, encouraged and welcomed. Handwritten, email, text messages – send them all!

What If . . .

Each Parish, Each Year Could Sponsor Just One Candidate?

A new way of looking at Sponsoring Candidates

Written by Alan Gray, your Diocesan Lay Director

Let's Start with a Hypothetical

Imagine IF: Each Parish in our Diocese could Sponsor just one Candidate each year?

132 Parishes x 1 Candidate = 132 Candidates

(Back to the future for Cursillo to the way we started in 1985-86)

Interesting Fact

For Cursillos held since 2016 (5) the average number of Sponsoring Parishes each year has been 13, that is 13 from 132 Parishes, only 10%.

How Could it Be?

With a program like Cursillo that shares God's love in an environment of joy, fellowship, friendship and fun, why wouldn't we want to shout it from the rooftops in the same way as we would share a good book, recipe, movie, or place to eat?

Why Haven't We Sponsored?

There are so many reasons from affordability to shyness. Added to the mix are the varying costs, different venues, who pays, where to find Forms, and confusion about how to present Cursillo and answer questions like "Is Cursillo a secret society?".

Let's Move Forward

We need a Step by Step Plan:

1. A "Sponsoring System" to make it easy to Sponsor.
2. A stable venue where we can keep the cost affordable.
3. A method of education for Parishioners, potential Candidates and Sponsors.
4. A method of looking after Sponsors travelling long distances.

Let's Give the Plan a Name

OPERATION PARISH CANDIDATE

One Candidate per Parish per Year

Target: 132 Candidates per year

What We Can Be Sure Of

Cost: Keeping the cost affordable (under \$300 for the 3-Day Weekend)
Venue: We know where we are going, the facilities there, what we need to bring.
Information: A method to get Cursillo education to every Parish and every Candidate.
 (Cursillo background to make Candidates feel comfortable about making the decision to attend the 3-Day Weekend)
Billeting: For long distance Sponsors, a place to stay when delivering & collecting on the Thursdays & Sundays.

CANDIDATES ARE WELCOME FROM ANY REGION ANY YEAR

OPERATION PARISH CANDIDATE

One Candidate per Parish per Year

**How We Find Candidates?
Sponsoring System**

- **Setting a Background:** We want to make the word Cursillo, a household name for every-day Parishioners so they are not daunted by unfamiliar Spanish words.
- **Pride in Candidate:** As Cursillistas of a Parish, we select our Candidate together, all have a say in the Parishioner we've chosen. We all have the Candidate's interest at heart. Parish Group Reunions are the ideal time to discuss Candidate selection.
- **Cost:** Right now, the cost is \$295 for the 3-Day Weekend
The Cursillista's Parish will fund \$250 of the amount (if a Candidate needs it.)
The Candidate funds the balance of \$45.
- **Funding:** Raised from Gold Coin/Note donations at Events e.g., Parish Group Reunions
Remember we are only trying to raise a min \$250 in a year for one Candidate.
\$250 is only \$6 per week, NOT each but in total. How hard can it be?
If we raise more, we can send more Candidates now or save for a Candidate next year.
- **Selection Process** 
We pray about this process
 1. A short list of interested Candidates is chosen from Parishioners by Cursillistas.
 2. This list is given to your clergy for their approval before doing anything.
(They know more background than we do.)
 3. A small Team of Cursillistas make the first approach to the possible Candidates.
 4. The result of this approach is relayed back to all Parish Cursillistas.
 5. A short list of a possible Candidate is made.
 6. It is up to each Parish Cursillista to reinforce the Cursillo message as the potential Candidate grows closer to a decision to attend a 3-Day Weekend.
 7. Candidate makes decision to attend Cursillo.
 8. A Sponsor (Mentor) from our Parish Cursillistas is chosen for the Candidate.
It is the role of Sponsor/Mentor to encourage attendance at Cursillo events (Fourth Day).

Benefits of This Process

- The responsibility to Sponsor doesn't fall on one person
- The joy of sending a Candidate is felt by the Parish Cursillo community
- The embarrassment of broaching cost is non-existent
- Being shy is covered with a team approach
- These new Cursillistas will be our Parish & Cursillo Leaders of the future
- We are building a stronger Parish Cursillo Community together
- We are doing our bit for OPERATION PARISH CANDIDATE at a Diocesan level

CURSILLO – PILGRIMAGE - HISTORY

Cursillo is a recent movement in the Christian Church. Its beginning was in Majorca Spain in the early 1940's. It did not develop by accident. It began when a group of men dedicated themselves to bringing the young people of their city to know Christ better. It developed as they prayed and worked together and as they talked together, sharing their thoughts about the state of the world and the effectiveness of their efforts to bring the light of Christ to it. The leaders of this group were Bishop Hervas, the then Bishop of Majorca, Father Juan Capo and Eduardo Bonin.

When the Spanish civil war ended in 1939 it was a time of ferment in the Spanish Church. Before the war a great pilgrimage to the Shrine of Saint James at Compostela had been planned. The shrine had been a focal point for the Christian faith during the Middle Ages. After several postponements due to World War Two, the pilgrimage was rescheduled for 1948.

Preparation for the pilgrimage provided a sharp focus for the activities that led to the development of Cursillo and helped set the tone.

The spirit of pilgrimage is a spirit of restlessness, of dissatisfaction with spiritual lukewarmness, of moving onward. It is also a spirit of brotherhood and sisterhood among fellow pilgrims who are striving together to reach the goal of a life fully given to the love of God and humankind. This pilgrim style has come to mark much of the spirituality of the Cursillo Movement.

Those who first developed the Cursillo Movement worked together as a team from the very beginning. They worked as a leaders' team that prayed together, shared their Christian lives together, studied together, planned together, acted together and evaluated what they had done together. Together they worked at the task of forming Christian life among the young people of Majorca. Out of their common efforts, something new in the life of the Church was born.

Diocesan Servant Community NEWS!

DSC has welcomed two new members in 2022. Trevor Andrew from Deception Bay and Leanne Hewat from Caloundra are joining Margaret Carr (leader), Irene Moy (also OWLE editor), Kay Self (Post Cursillo Coordinator and LD for W81), Nick Crisp (LD for M81) and Rev. Marilyn Cullen (Spiritual Advisor). As you can see with some members having more than one role, DSC is a hard working group focussed on reinvigorating Cursillo. We work closely

with Kay, who is the Post Cursillo Coordinator and aim to honour the previous hard work of so many faithful Cursillistas, many of whom are still active in the Diocese.

Dinner is served! What's on the DSC plate this year?

Updating processes and procedures in documents of the Anglican Cursillo Movement of Australia – “ACMA” manual is an on-going part of Diocesan Servant Community life. Most of the updating is aimed at assisting the 3-day Weekend Lay Directors. Currently, the group is developing a Workplace Health and Safety section into the Back Table Training day manual. These activities ensure that Cursillo is always improving practices and keeping up

to date. Margaret will be assisting Diocesan Lay Director Alan Gray with the Back Table training in the coming months.

2020 saw ZOOM impact Cursillo in a significant manner. DSC developed documents and sign in sheets for Zoom Ultreya's as well as updated Mananita and Clausura sign in sheets. The Pre Clausura script review was one such script undertaken by this group. Servant Community is also a 'hands on' group of Cursillistas who value the opportunity to be 'doers' in practical ways. We would welcome new members to the group and while most of our meetings are online via Zoom, those available to travel as members of DSC visit parishes to meet parish Cursillistas from time to time.

FOLLOW UP DAY FOR MW80.

The Premier's Covid travel restrictions in January, caused the cancellation of MW80 Follow Up Day at Cooroy. This was a significant loss for all concerned as the Diocesan calendar was tight with events. Shortly after, the event at Warwick was cancelled, allowing space for the Follow Up Day team. The Follow Up Day is always a good catch up day for new Cursillistas. At the time of OWLE print, the day will be held at the Anglican Church of the Holy Trinity, Cooroy and most candidates and sponsors are booked in.

CANCELLED FOR MARCH 5...TO BE REINVENTED! CURIOUS? TBA

The theme for the Northern Pilgrimage is “Singing God's New Song” and the concept for the Follow Up Day will certainly be ‘new’. Please start to think seriously about attending the Pilgrimage and you will be part of this new experience.

The Vision for Diocesan Servant Community
“Your love has given me great joy and encouragement, because you, brother have refreshed the hearts of the Lord's people”.

Philemon 1:7, NIV

The Cursillo Method

Cursillo is a Spanish word meaning “little lesson or short course.” The little lesson it provides is one that expands over time.

Cursillo helps each person better understand just how much God loves them. It offers a method for living that helps people develop a more personal relationship with Jesus, and it encourages each person to pursue a course of continual formation, enabling them to better understand the mind of Christ and better understand their faith. As people develop a more personal relationship with Christ and follow Him more closely, they are better able to live the Gospel and actually be the “good news” in the various places that God has put them to live, work and worship. Making a friend, being a friend and bringing that friend to Jesus is the fundamental basis for sharing God’s love to others.

The Cursillo small group dynamics during the 3 Day Weekend and continuing afterwards with Group Reunion provide the encouragement and support enabling each person to grow spiritually, leading to an understanding that Christ works through them as they interact with others.

Group reunions are the ‘blowtorch’ which encourage one another “onward” in their spiritual journey. Many thousands of men and women around the world live the Cursillo method and are enjoying a continuous and progressive spiritual conversion.

Cursillo has a new Copyright Coordinator

Introducing **Leigh Leighton**, from Toowoomba West Parish to the Secretariat Team in the role of Copyright Coordinator. Leigh’s Candidate year was W61A in 2006 at Brookfield QCCC, sponsored by David & Kay Thomas. Leigh has been on Team three times. On W65 in 2008 (Christian Living), W67 in 2009 (Musician) and W71 in 2011 (Musician). Leigh’s musical experience will serve our Cursillo Diocese well in the Copyright Portfolio.

We would love to hear if you are already using
zoom for Group Reunions!

Contact Kay Self (kay.self1@gmail.com) or
Marg Carr (marg.carr@optusnet.com.au)

How will that work? Here's the plan.....from Peter Victor – Secretariat Media and Webmaster.

To conduct a group reunion on ZOOM,
Requisites are:

1. Each person needs an Internet connected device with camera and microphone. (Computer, Laptop, Tablet or Smart Phone)
2. One member would need to have a [ZOOM Account](#). (Free to Sign up but meetings with more than 2 people would cut out after 40 minutes)
3. That member could either create a meeting request link or use their Personal Meeting ID Link.
4. Then send/email that link to Group participants.
5. When they click on the link, if they don't already have ZOOM App installed, it will ask them to download it, then install it (it's free!).
6. Arrange a time when everyone joins using that link.
7. Grouping shouldn't go for more than 40 minutes but if you want you can just re-join using the same link.
8. Let your Cursillo Parish contact know you are grouping online.

A MESSAGE FROM THE DATABASE COORDINATOR

Thank you so much to those of you who sent in new details.

There is a lot of movement of people in our towns and cities and new people are joining our parishes. Please ask any new parishioners in your congregation if they are Cursillistas and if so, ask them if they would like to be added to the Brisbane Diocese Cursillo data base.

We still need Parish Contacts.

We have a section in the data base for Candidates. If you would like to add someone and have their details, please send them to me.

If you would like to be considered for Team, let me know as there is a section being added for this also. Your name will be given to the LD for consideration.

De Colores,
Sharyn

Joyce Moy, a member of the Parish of Sherwood, died on 13 December. Joyce's funeral was held on 30 December at Saint Matthew's, Sherwood and a memorial service held at Holy Trinity, Mackay on 3 February. Joyce made her Cursillo at Women's 43 in 1997 at the Mercy Centre, Bardon and was then on team for North Queensland W2 and W5. May she rest in eternal peace.

In Loving Memory

Greetings from Post Cursillo

"I pray that, according to the riches of his glory, He may grant you strength in your inner being with power through His Spirit, and that Christ may dwell in your hearts through faith, as you are being rooted and grounded in love. I pray that you may have the power to comprehend what is the breadth and length and height and depth, and to know, the love of Christ that surpasses knowledge, so that you may be filled with all the fullness of God".

Ephesians 4: 16-19

This bible passage reminds me of how God supports us all in our 4th day, as we live with piety, study, and apostolic action. Whatever our individual circumstances, however we are travelling, wherever we are on our journey, whoever we are with, may our eyes be fixed on Him.
